

Maine Visual Media Incentive Plan

Film, television and commercial production companies spending \$75,000 or more in Maine may take advantage of the Maine Visual Media Incentive Plan.

- Receive tax rebates equal to 12% of qualified wages paid to Maine residents working on a certified production and 10% of nonresident wages. Qualified wages capped at \$50,000 per person.
- Claim a non refundable, non transferable tax credits equal to 5% of the non wage production expenses. Credit not to exceed the Maine taxes owed by the production company. *Must be claimed within production year.
- Productions may be considered for the FAME seed capital tax credit program.
